

Throughout the six-week program, we'll emphasize teamwork, communication, work ethic, confidence, perseverance, and good judgment. These qualities, essential on the basketball court, also translate directly to valuable skills in the workplace. Our goal is to provide each participant with a comprehensive understanding of these transferable skills, showcasing their practical application on the court and highlighting their pivotal role in pursuing future employment opportunities. Join us as we not only play basketball but also prepare for success both on and off the court.
